The Summer Club

A 7-week maker studio for kids aged 5–8

Vajram Esteva · Mon–Fri · 9:00 AM – 12:30 PM

Each week, kids work on a completely different skill and figure it out themselves. No worksheets. They make real things, and every Friday they show what they made.

Ages 5–8 | 7 Weeks · Mon–Fri | 9 AM – 12:30 PM

7 Weeks. 7 Things They'll Make.

A different theme every week. A real outcome every Friday.

WEEK 1
Stop-Motion Film Studio
Write a story, build sets, shoot a film frame by frame.

WEEK 2
Science Lab
Paper planes, rockets, parachutes — built to understand flight.

WEEK 3
The Invention Kitchen
Write menus, measure ingredients, cook real food.

WEEK 4
Design Your Game
Design rules, board, and pieces. Build a playable game.

WEEK 5
Build Break Fix
Build a cardboard robot, write its manual, demo on Friday.

WEEK 6
The Market
Make a product, price it, run a pop-up market stall.

WEEK 7
The Big Show
Write, direct, and perform a short play for parents.

A typical morning

What the day looks like
